Since it was established in 1996, the Triton 5K (formerly the Chancellor's Challenge 5K Run/Walk for Scholars) has raised more than \$3.5 million, benefiting more than 1,000 motivated ambitious students.

The event was founded by former UCSD Chancellor Robert Dynes to rally the campus in support of undergraduate students. Most recently, Chancellor Pradeep K. Khosla helped to push past the \$3 million fundraising mark, growing the event to include 3,000 participants and volunteers. The Triton 5K is an important campus tradition with a legacy that will last long into the future.

Plan to join Chancellor Pradeep K. Khosla and 3,000 fellow students, alumni, staff, faculty and retirees for a 3.1 mile adventure through campus—past King Triton, the world famous Geisel Library, the Sun God, a 23-foot-high stone bear, and a house mysteriously perched on the Jacobs School of Engineering!

Thank you for being a part of the Chancellor's Scholars Team!
